

Mrs. Lawless' Star Student!

Listed below are the dates that have been selected for Star Student of the Week. Attached is a copy of the packet that you will receive again the Friday before your child's special week. All Star Student materials will come home with your child the Friday before their special week begins! I will model each day so your child is familiar with the activities. If there is a star (*) next to your child's date, this indicates a 4-day week and your child will need to combine 2 activities into 1 day!

<u>Week</u>	<u>Student</u>
